## TIGERS FORCE NATIONALS INTO SECOND DIVISION---COUNTRY'S BEST ATHLETES CONTEST IN OLYMPIC TRIALS

## Lowly Tigers Outplay Griffs and Win Two; McBride Back in Game Ruth Gets 3 of 21 Hits

By JACK NYE.

Manhandling the Nationals appears to be the favorite diversion for the other teams in the league these days. Even the Detroit Tigers, at whose expense the locals had hoped to add some much-needed games to their list, have caught the habit. Jennings' men showed superior class in all departments yesterday, taking both games of the double bill by scores of 10 to 1, and 4 to 2.

As a result of the double defeat the Nationals dropped out of the first division, giving way to the flying St. Louis Browns, who divided a double bill with the Mackmen yesterday.

"Doc" Ayers and Howard Ehmke were the twirlers who humbled the Nationals. In the first game "Doc" allowed but six hits, while Shaw and Snyder were battered for fourteen. Zachary did manage to stick through the second engagement, but was easily outpitched by the slender Ehmke.

#### **BOTTLES HURLED IN** PIRATE-GIANT CLASH

Pittsburg, July 17 .- After being whitewashed by Babe Adams in the first game of a double-neader this afternoon, the Giants came back in the second game and, behind the pitching of Jess Barnes, packed away a 4 to 2 victory over the Pirates. The score of the Pirate victory was 2 to 0.

A crowd of 20,000 witnesed the bargain matinee, and in the second game started a roughhouse then Umpire Moran called Nicholson out at the plate on a close play. Pop bottles were showered from the stands, and one struck Walter Schmidt, Pirate catcher, who was walking toward the plate to warm up Ponder while aefner was donning his shinguards. The bottle struck Schmidt on the left elbow and caused a painful injury which probably will keep him out of the game for a few days. Earlier in the game Dave Bancroft was banished by Moran for objecting to a decision at the plate.

## "CHICK" EVANS Griff Leaves McBride WINS TOURNEY In Charge of Team and Goes on Huntfor Players

His patience exhausted by the poor showing of the team of late, culminating in the double defeat at the hands of Detroit yesterday, President Clark Griffith hurriedly packed up his grip last evening and took to the road, determined to strengthen his club or bust.

"I am going to be gone as long as it takes, to get the players I need," declared the "Old Fox" with grim emphasis. "I don't know how long that will be. It may be for the rest of the year, but I doubt it. I know where the men I want are, and I am going to get them." During Griff's absence the team will be under the management George McBride, his veteran infielder. McBride will also play short, as Griffith announced last evening that he was definitely through with Maurice Shannon, on whom waivers will be asked.

ond base in the second game yesterday, when Young threw the ball into left field in an effort to make a force play, was the straw that broke the camel's back. When Pinnelli repovered the ball in time to throw him out at second, George McBride was immediately sent in to replace Shannon. Griffith has not been pleased with Shannon's work for

His first stop will be Rochester, where he will enter into negotiations with Arthur Irwin for a couple of first-class pitchers, which that gentleman is known to have on his pay roll. It is no secret that tht local magnate is particularly sweet on Acosta, the Cuban hurler, and a big right-hander named Cit ford, both of Rochester. He has seen Acosta in action and, despite his lack of bulk, believes he will be a winner in fast company. Clifford has been winning consistently this year and has been represented as the best pitcher in the International League.

In addition a fast infielder or wo, with the ability to hit as well as field, will also probably be acquired. The decision to part with Shan-

non and the injury to O'Neill and Ellerbe, leaves only McBride and Shanks to handle short and third, with absolutely no emergency talent to fall back upon. A shortstop and second baseman would undoubtedly strengthen the team, as Shanks is badly needed for utility role.

Before leaving President Griffith declared that he appreciated the support of the loyal fans and intended to see that they were rewarded.
